WHERE VALUE CONCENTRATES

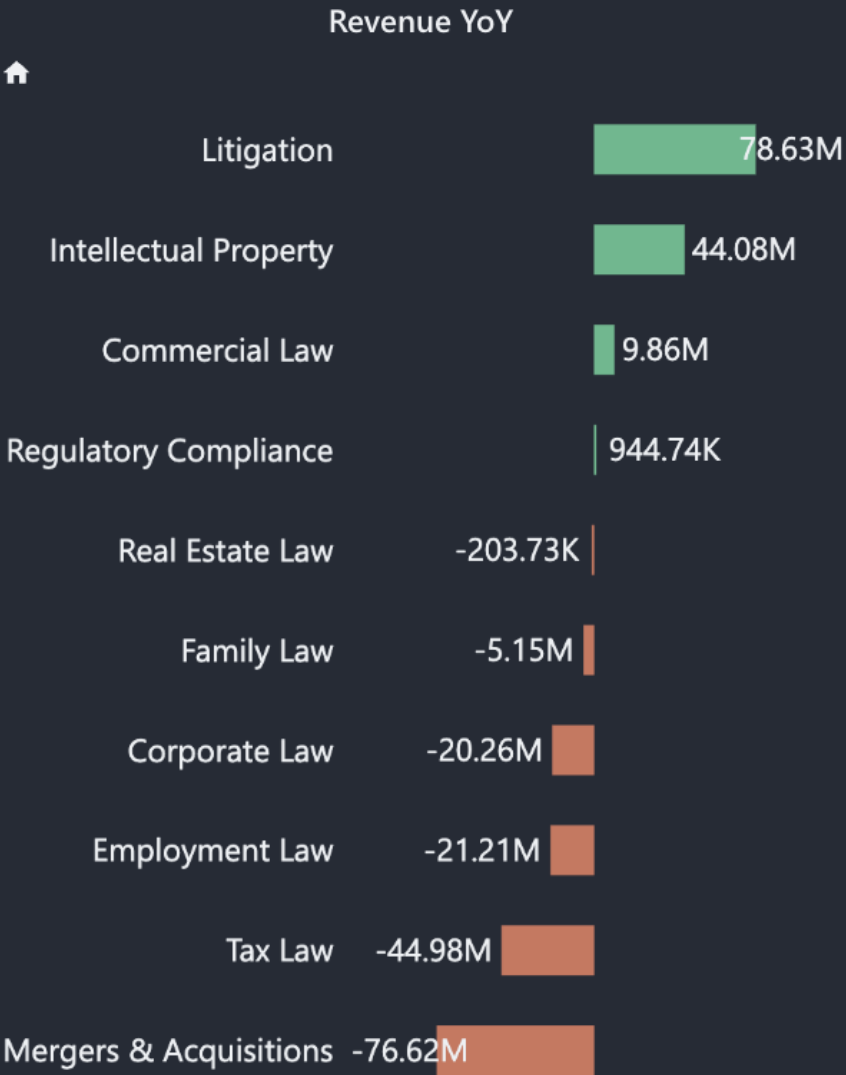

Critical cases are just 5% of volume but 52% of revenue - across 231 clients (29%). A whale book across a solid client base.

OFFICE FOOTPRINT · Click an office to filter the page

A redundant network - clients average ~5 offices each, cross-border on par with local. Judge each office on scale & growth; keep the ones with a genuine local edge.

PRACTICE MIX

The mix is shifting: Mergers & Acquisitions → Litigation.

CAPACITY VS DEMAND BY PRACTICE

Specialist capacity vs. demand by FTE - (at firm level, regardless of seniority)

As work rotates toward disputes, Tax Law capacity sits well above its demand, while Mergers & Acquisitions runs short of specialist capacity. Rebalance specialists toward the shift.
